# Design Your Own Code Map

**Use the blank map to create your own 4 scenarios. Use either clipart or draw on the map provided. Include an answer key when finished. Be sure to include step by step action commands, repeats, if or if/else statements, and while statements in your scenarios. Color code the route of each scenario.**

**Scenario 1 Directions:**

**Scenario 2 Directions:**

## **Scenario 3 Directions:**

## **Scenario 4 Directions:**
