Activity 13 Worksheet

Personal Finance Student Workbook

Follow the instructions in the workbook to complete this worksheet. Record the answers on the worksheet and turn in the worksheet to the instructor. Do not write inside the workbook.

Use the requirements in the workbook and the Cost List in the “Reference Section” to complete this worksheet. To determine the individual costs of items, multiply the price by the number of times used during the month. Record the cost in the proper location. Add all costs together to determine the cost of living for one month. Record all answers in United States Dollars, or USDs.
